Dear Bill:

To our pleasant surprise and delight, we were pleased to receive the Bill Gladstone bobblehead on November 4th.

It is a clever and creative item and clearly a keepsake collectible.

I am honored to have it and have added it to this office's memorabilia collection. It will be a permanent representation, in a delightful way, of the predominant influence you have had in this City and region, for many years, as the premier real estate broker. May you know continued good health and success in all that you do.

With warmest personal regards, I am

Yours sincerely,

Stephen R. Reed
Mayor
